Explanatory Statement Pursuant to Section 102(1) of the Companies Act, 2013

The Company is in the process of augmenting its long-term resources and strengthening its capital base in view of its proposed Initial Public Offering (IPO) in the near future. In order to achieve this, it is proposed to issue and allot equity shares of the Company by way of **private placement**, to certain identified investors, including Qualified Institutional Buyers, High Net-worth Individuals, and/or other strategic investors, as permitted under the provisions of the Companies Act, 2013, the rules made thereunder, and other applicable laws.

In terms of Section 42 and Section 62(1)(c) of the Companies Act, 2013, read with the rules framed thereunder, any issue of securities by way of private placement requires approval of the shareholders of the Company by way of a **special resolution**.

Accordingly, the consent of the members is sought for authorising the Board of Directors of the Company (hereinafter referred to as the "Board", which term shall be deemed to include any duly authorised committee thereof) to offer, issue and allot equity shares of the Company by way of private placement in one or more tranches, on such terms and conditions including the class of investors to whom the securities are to be allotted, the number of securities to be allotted, issue price, premium (if any), and such other terms as the Board may, in its absolute discretion, deem fit and proper in accordance with applicable laws.

The proposed private placement would provide the Company with additional funds to meet its business expansion plans, improve the capital structure, and create a stronger balance sheet prior to the proposed IPO.

None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, financially or otherwise, in the resolution except to the extent of their shareholding in the Company, if any.

The Board recommends the Special Resolution set out in the Notice for approval of the Members.
